

Biogas, and renewable
natural gas

What makes us different:
**end to end process
partnership**

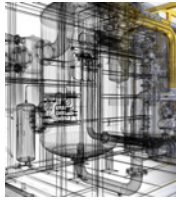

The Sulzer Chemtech plus

- **End to end process design:**
Feed conditioning, digesters, digestate processing
 - **No reliance on sub-vendor expertise:**
Full in-house experts and key equipment
 - **Feed conditioning:**
Contaminate separation, conditioning
 - **Digestate processing:**
Solids separation, nutrient recovery
 - **Optimization:**
CFD modelling of mixing, heating and slurry flow
-

Service offering

- **Founded in Science:**
Fundamental Technology - Global Leader
- **Process Simulation:**
Processes Development - Global Licenser
- **Engineering:**
Design to Fabrication - Complete Systems Provider
- **Project Delivery:**
Construction oriented equipment selection
- **Capex driven:** Not technology
- **Balance of plant:** Consulting engineer

Feed Conditioning

Digester Design and CFD Modeling

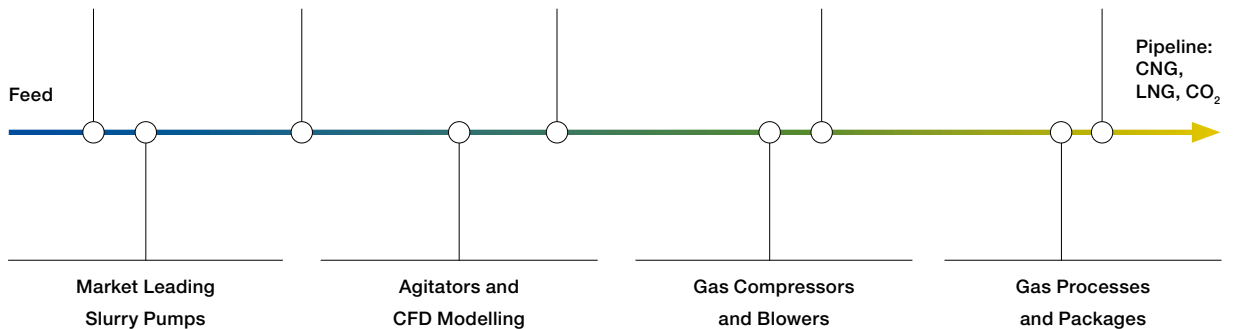

Effluent Conditioning and Nutrient Recovery

Separation Technology

Global Technology Licenser
