

Sulzer Capital Market Day 2010

**“Energy-efficient solutions for
a lower greenhouse-gas future”**

Zurich, October 18, 2010

Dear Investor, Dear Analyst,

It is our pleasure to invite you to Sulzer's 8th Capital Market Day taking place at the Hotel Widder in Zurich on October 18, 2010.

With the increasing scarcity of resources, energy efficiency has become a growing need, and Sulzer solutions make a significant difference with combined economic and ecological advantages. Therefore, besides the general business course and introduction to our businesses, we will introduce you to some interesting case studies regarding **"Energy-efficient solutions for a lower greenhouse-gas future"**. Offerings to our customers like solutions for renewable energies, efficiency-increasing solutions, or solutions replacing the need for energy and material intensive resources will be presented during the event.

Like in previous years, the executive management team of Sulzer will be presenting and be available for Q&A sessions and discussions during the course of the event.

Registration will open at 8:30 a.m. and the event starts at 9.00 a.m. and will last until approximately 4:30 p.m. including cocktails.

Please email or fax the enclosed registration form by **October 8, 2010**. We look forward to meeting you on this occasion.

Best regards,

Ton Büchner, CEO
