

INVITATION

Sulzer at Expomin

November 10 – 13, 2020 | Virtual Conference & Exhibition

Join us for online virtual exhibition at Expomin 2020 to find out more about how Sulzer solutions can increase the efficiency and reliability of your mining processes and minimize the total cost of ownership.

As Sulzer and Ensival Moret have joined forces, we are now able to offer even deeper process understanding for demanding mining applications. Our combined product portfolio includes also high abrasion and corrosion resistance pumps with built-in intelligence features that provide ease of maintenance and an extended life cycle for the equipment.

Our experts are available for you:
