

INVITATION

Sulzer at Maqpaper

7 – 8 March 2018 | Igualada, Barcelona, Spain

Sulzer is one of the world leaders in innovative pumping, mixing, agitation solutions and services for the pulp and paper industry. Our comprehensive and high performance portfolio includes also energy-efficient products for water and effluent treatment applications.

Meet our specialists at the Maqpaper and discover how we can improve the reliability of your pulp, paper and bioenergy production.

Time: March 7 – 8 10:00 am – 7:00 pm

Location: # 36 Recinte Firal de L'Escorxador, Prat de la Riba 45, Igualada

Contact: Sulzer Pumps Spain, S.A.
