

INVITATION

Sulzer at Pumps & Valves

21 – 22 March 2018 | Antwerp, Belgium

Visit our booth at Pumps & Valves and find out how Sulzer solutions can improve the efficiency and reliability of your processes through a full range of innovative products and services.

As Sulzer and Ensival Moret have joined forces, we are now able to offer you even deeper process understanding for chemical process industry, municipal water, wastewater, fertilizers, oil and gas, and other selected industrial processes. Advanced design and materials and a wide range of shaft seals and sealing systems combined with overall operating efficiency ensure a reliable process and long service life.

Time: March 21 10:00 am – 8:00 pm
March 22 10:00 am – 6:00 pm

Location: Antwerp Expo, Duozone booth #B1072
