**Ad-hoc statement regarding Sulzer's Applicator Systems division**

In response to reports about a potential market introduction of Sulzer Applicator Systems, the company reiterates previous statements that a spin-off is an option under consideration, but that no decision has been made by the Board of Directors.

*Sulzer is a global leader in fluid engineering. We specialize in pumping, agitation, mixing, separation and application technologies for fluids of all types. Our customers benefit from our commitment to innovation, performance and quality and from our responsive network of 180 world-class manufacturing facilities and service centers across the globe. Sulzer has been headquartered in Winterthur, Switzerland, since 1834. In 2020, our 15'000 employees delivered revenues of CHF 3.3 billion. Our shares are traded on the SIX Swiss Exchange (SIX: SUN).
