Ad hoc announcement pursuant to Art. 53 LR

July 7, 2023

Sulzer increases order intake guidance based on strong growth momentum

Strong order momentum continued in Q2. In the first half of 2023, order intake increased organically¹ by 24.1% to CHF 1'992m from CHF 1'734m year-on-year, demonstrating Sulzer's strong position in growing markets.

Based on this positive development, Sulzer increases its 2023 guidance for order intake from +3 to 6% to +10 to 14% organically¹. More details will be given with the publication of the half-year report on July 25, 2023.

Sulzer is a global leader in fluid engineering and chemical processing applications. We specialize in energy-efficient pumping, agitation, mixing, separation, purification, crystallization and polymerization technologies for fluids of all types. Our solutions enable carbon emission reductions, development of polymers from biological sources, recycling of plastic waste and textiles, and efficient power storage. Our customers benefit from our commitment to innovation, performance and quality through our responsive network of 180 world-class manufacturing facilities and service centers across the globe. Sulzer has been headquartered in Winterthur, Switzerland, since 1834. In 2022, our 12'900 employees delivered revenues of CHF 3.2 billion.
