

February 28, 2018

The Board of Directors will propose the election of Lukas Braunschweiler to the Board at the Annual General Meeting on April 4, 2018.

Dr. Lukas Braunschweiler (born 1956, Swiss citizen) received a Master of Science in analytical chemistry and was awarded a PhD in physical chemistry from Swiss Federal Institute of Technology (ETH), Switzerland.

Lukas Braunschweiler is CEO of the Sonova Group, Switzerland (2011 till March 2018).

Before joining Sonova, he was CEO of the technology group Ruag, Switzerland (2009 to 2011). Before that, he headed the Dionex Corporation, California, as president & CEO. The company is active in the life sciences industry and listed on the Nasdaq stock exchange (2002 to 2009). From 1995 to 2002 he held various positions at the precision instruments manufacturer Mettler Toledo in Switzerland and the US.

Lukas Braunschweiler is a member of the Board of Directors of the Schweiter Technology Group.
