

INVITATION

# Sulzer at Middle East Electricity

March 5 – 7, 2019 | Dubai, U.A.E

## **Sulzer makes the difference!**

Middle East Electricity 2019 is almost upon us. Welcome come to our booth and learn more about service and pumping solutions from Sulzer.

Join us for a friendly chat and get to know our experts. It is the perfect opportunity to tell us what you need and experience the difference we can make for you.

**Time:** March 5 – 7 10:00 am – 6:00 pm

**Location:** Booth S1.C59, Sheikh Saeed Halls 1, Dubai World Trade Center

Please also attend our technical seminar on March 6 at 12:00 in booth S1.C60. The seminar will be presented by Jacques de Salis, Vice President Global Power and Head EMEA Region.
