

INVITATION

Sulzer at Paperex

December 3 – 6, 2019 | New Delhi, India

As a full-line supplier, Sulzer has a proven track record and excellent references in developing energy-efficient products for a wide range of pulp, paper and board process applications.

Visit our booth #4111 at Paperex'19 to discuss with our experts and to learn how we can develop your processes together. With our new Sulzer Sense wireless IoT condition monitoring system, you have a smart way to take care of your equipment easily and safely. We are also presenting our upgraded SALOMIX agitator family, as well as our magnetic bearing turbocompressor for industrial water treatment processes.

Time: December 3 – 5 10:00 am – 6:00 pm
December 6 10:00 am – 3:00 pm

Location: Pragati Maidan, New Delhi, India, booth #4111, Hall A4-a
