

## AHLSTAR and SNS pumps compliant with regulation (EC) No 1935/2004

SNS end-suction single-stage  
process pump range

The AHLSTAR and SNS centrifugal process pumps can now be delivered in accordance with Food Contact Materials (FCM) Regulation (EC) No 1935/2004.

The European Regulation (EC) No 1935/2004 covers all materials which come into contact with food and ensures that FCM do not threaten human health, or change the composition, odor or taste of the food product.

The AHLSTAR and SNS pumps that are compliant with Regulation (EC) No 1935/2004 are produced according to the GMP (Good Manufacturing Practice) Regulation (EC) No 2023/2006, with strict quality assurance and quality control systems. The traceability of materials is secured, and (EC) No 1935/2004 declaration of compliance, specific documentation, certificates and labelling are provided with each and every pump.
