

Hurricane recovery services – delivering the motors you need when you need them

We are one of the largest new motor distributors in the Gulf Coast. With over a million dollars in motor inventory, Sulzer has the right motor in stock for your application. We are GE and Wolong Motor's largest distributor in Texas and key partner with TECO Westinghouse, Toshiba, ABB and EM/WEG, along with access to other motor lines. We provide 24/7 support for emergencies and unforeseen outages.
