

## Bahrain Service Center

---

Around-the-clock engineering services for electromechanical machinery and any brand of pump.

### World-class engineering services delivered locally

---

Sulzer is a leading independent service provider specializing in electromechanical solutions, catering to the oil & gas and marine sectors. In Bahrain, we deliver unrivalled 24/7 service and expertise to meet your operational needs through in-house and on-site engineering solutions designed to boost:

- Reliability
  - Efficiency
  - Profitability
  - Sustainability
- 

### Electromechanical Services (EMS)

Sulzer's turnkey drivetrain support extends to low and high-voltage equipment, motors, gearboxes, generators, blowers and more.

---

### Pump Services (PS)

Comprehensive pump engineering knowledge supports repairs, retrofits, servicing and digital solutions for any brand of pump.

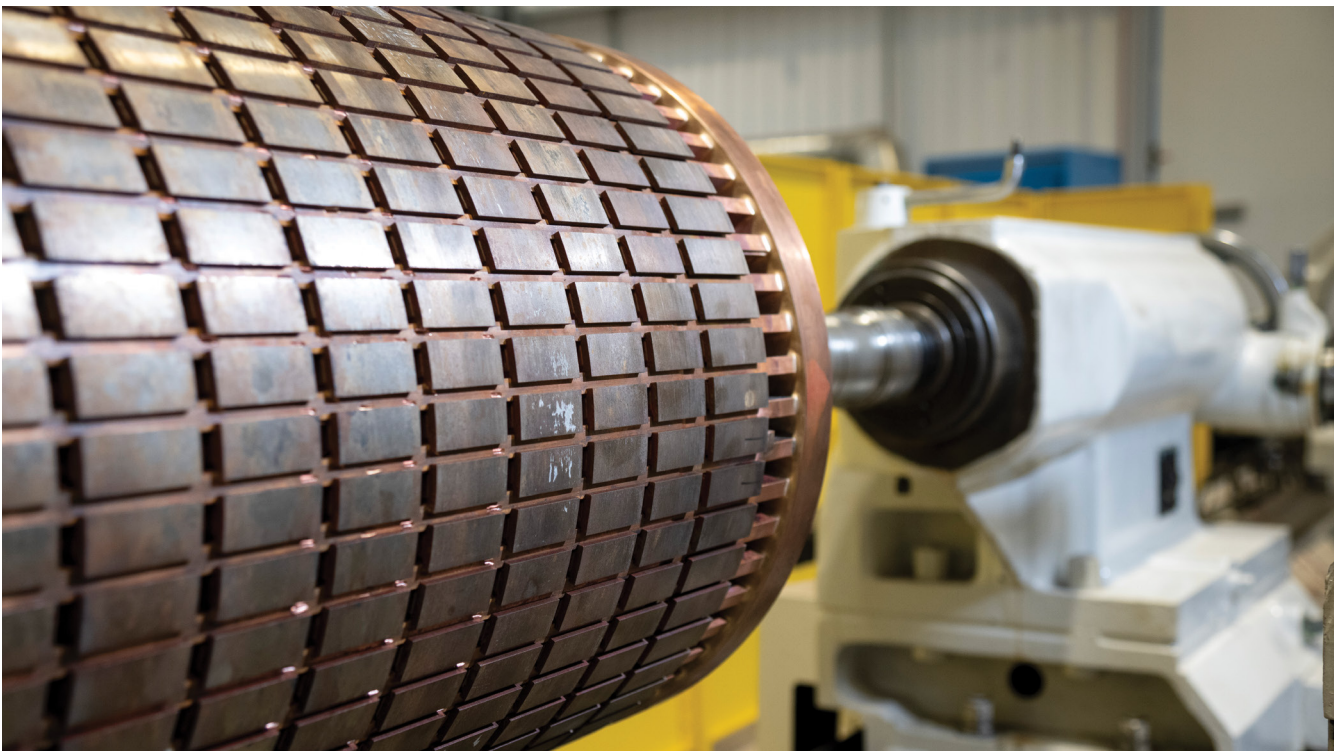

---
