

INVITATION

Sulzer at Expomin

October 25 – 29, 2021 | Hybrid event / Santiago de Chile

Join us in this new edition that will be held in a hybrid format at Expomin 2021 to find out more about how Sulzer solutions can increase the efficiency and reliability of your mining processes and minimize the total cost of ownership.

As Sulzer and Ensival Moret have joined forces, we are now able to offer even deeper process understanding for demanding mining applications. Our combined product portfolio includes also high abrasion and corrosion resistance pumps with built-in intelligence features that provide ease of maintenance and an extended life cycle for the equipment.

Time: October 25 – 28 10:00 am – 6:00 pm
October 29 10:00 am – 5:00 pm

Location: #2-L30, Espacio Riesco – Santiago de Chile, Hall 2

Contact: Sulzer Bombas Chile Ltda., Luc Saxer, Sales Manager GI Chile
Phone +2 2372 7912, luc.saxer@sulzer.com

We look forward to your visit!
