

Sulzer at Global District Energy Days

September 26 – 27, 2018 | Helsinki, Finland

Sulzer is one of the leaders in innovative pumping, mixing and agitation solutions, compressors and services for the power industry. In addition to Sulzer's own product families, we service vacuum pumps, other centrifugal pumps and agitators, and mechanical seals.

Meet our specialists at the Global District Energy Days to hear more on our innovative solutions and discover how we can improve the performance of your power generation processes.

Time: September 26 8:30 – 17:30
September 27 8:30 – 16:00

Location: Marina Congress Center, Helsinki
