

Repair and o-ring kit XJ, XJC, XJS

Repair and o-ring kits

The repair kits include preselected spare parts which secure a fast and efficient maintenance and avoids unnecessary downtime for the pump. The o-ring kit is included in the repair kit and can also be ordered separately.

The modular pump design makes it possible to repair any of the XJ 25 - XJ 110, XJC 50 - XJC 110 and XJS 25 - XJS 110 pumps with only two kits.

Sulzer repair kits features

- High and fast repair flexibility with minimum numbers of kits.
- The repair kit includes individually packed parts all enclosed in one box.
- All various cable seals and cable washers are included in the repair kit.
